PRIVATE AVIATION WORK EXPERIENCE

Corporate Flight Attendant, Part 91 and Part 135 (Contract)

November 2025 - Present

Solairus Aviation | Clay Lacy Aviation | Mira Vista Aviation

- Contract cabin coverage for three Los Angeles based operators on owner and charter trips. Each one has booked me again after the first assignment.
- Take an aircraft I have not flown before and run the cabin to that owner's standard on the first leg: catering, stocking, service, and reset.
- Available on short notice for standby, trip extensions, and international rotations.

Corporate Flight Attendant (Cabin Host)

November 2023 - April 2026

Vista America / VistaJet

- Full time cabin crew, Part 91 and Part 135, domestic and international, on the Global 7500 with additional assignments on the Gulfstream G450 and G550, Global 5000, and Challenger 300.
- Kept on the dedicated Global 7500 crew group at the written recommendation of the fleet's line training captain (July 2025).
- Received a handwritten letter of recognition from a principal after a San Jose to Washington, DC round trip on the Global 7500 (August 2025), and a personal note of thanks from the President of Vista America (October 2025).
- Called in to cover a sick full time attendant on a managed G450/G550 and was asked by the lead captain to be kept on that airplane.
- Bought toys and coloring books out of pocket for a family's children ahead of a Global 7500 trip, so the cabin was set up for them before they boarded.
- Planned menus and catering orders, managed galley stock and inventory, and held cabin presentation across multi leg trips and long duty days.

Corporate Flight Attendant (Cabin Attendant)

June 2022 - November 2023

Jet Edge International

- Flew the Jet Edge managed large cabin fleet: Gulfstream G450, G550, and G650ER, Global 5000 and 7500, Challenger 605, Falcon 900, 2000, and 7X, and Boeing Business Jet.
- Seconded to Air Hamburg for six months (2023 to 2024), flying with German crews inside European airspace under EASA rules. Air Hamburg asked to keep me on after the first rotations.
- Captains requested me as a standing pairing. One wrote to the Senior Director of Cabin Operations that I was in his "top 3%" of the hundreds of flight attendants he had flown with in 38 years.

Corporate Flight Attendant

August 2021 - June 2022

Century Jet / Talon Air

- Cabin coverage on domestic and international trips of any length, with assignments extended as needed to keep the aircraft covered.

Corporate Flight Attendant

November 2021 - April 2022

Fly Alliance

- Assigned flights across the fleet regardless of itinerary, duration, or passenger count, working with the flight deck on destination specific preparation.
